

RAPID RECOVERY

REFRIGERANT ABATEMENT EXPERTS

The Nations Largest Refrigerant Recovery Company
23 Service Locations Nationwide

The Law

- History:
 - 1992-1994 Clean Air Act amended as part of the Montreal Protocol
 - Section 608 mandates recovery of all refrigerated appliances.
 - Fine of \$32,500 per incident per day.

Every System Must Be

- Recovered – Venting is Prohibited
- Recovered by a certified technician
- Recovered by certified equipment
- Documented

Enforcement

Local:

- Jul 15, 2010: City of Tacoma \$525,000 for venting
- Oct 21, 2009: 5 Cleveland companies sited for venting
- Oct 6, 2009: Metal Recycling Systems
 - ❖ Fined \$30,000
 - ❖ Forced to institute new program as part of settlement
 - Keep MRS from venting
 - Assist public in compliance by paying more for systems “intact”
